AK 2 serves multiple functions, offering dual workspace lightning and desk partitioning. The rounded PET felt shell grants the lamp its friendly appearance and soft texture. Reinforced with acoustic filling, it also provides a gentle sound-dampening effect. AK 2 is ceiling-suspended and available in 11 PET Felt colour blends, offering many design possibilities. Suitable for shared desks in offices, co-working spaces and schools.

Product overview

Care & Maintenance

For regular care, we recommend dusting or vacuuming PET Felt occasionally. Most stains can be easily cleaned with water. It is advised to dab the contaminated surface with a dry cloth while it is wet. Do not rub PET Felt to avoid excessive pilling and let the material dry naturally. If water is not sufficient, stubborn stains can be removed with professional cleaning products like the James cleaning set.
